

CCS Child & Teacher Benefits

- ◆ **Increases student retention and achievement**
- ◆ Mentoring opportunities for our older students with those in primary grades
- ◆ Lack of discipline issues and absence of negative peer pressure students feel in traditional middle schools
- ◆ Intercessions - special classes provided during breaks for enrichment
- ◆ Middle School Leadership Retreats
- ◆ High WASL Scores
- ◆ Increased Community Service opportunities
- ◆ Breaks reduce teacher burnout
- ◆ Less time spent re-teaching & re-learning for teachers and students
- ◆ Parent participation on committees and as volunteers encouraged

FAQ

Is there a cost to be a student at CCS?

No. It is a public school and there is no cost for the student to attend.

Is there bussing available?

Yes. For students who live in the EVSD bussing is available. For the students who live outside the EVSD, parents are responsible to provide their transportation.

Can CCS students participate in sports?

Yes. CCS students can play all sports offered through East Valley Middle School.

Does CCS offer orchestra and band?

Yes. Currently, orchestra is offered to 4th-8th graders and band is offered to 5th-8th graders.

CCS

We are a school in East Valley School District that stands out from other schools because of one major difference. We are the only Continuous Curriculum School that includes Kindergarten through 8th Grade.

Continuous Curriculum School means that our calendar is organized into learning periods and vacation weeks that are more evenly balanced across 12 months than the traditional school calendar. **CCS students attend school the same number of calendar days that students with a traditional calendar year attend.**

"This alternative school calendar helps maintain student interest in learning. When periods of classroom learning are followed by regular vacations, interest remains high to the end of the period. Refreshed by the breaks, teachers and students return ready to work. All participants learn to work hard for a period of time and then to rest and regenerate for the next block of academic instruction."

- Molly A. Carroll

Molly A. Carroll is on the board of directors of the National Association for Year-Round Education and is Vice president / president-elect of the Illinois Association for Year-Round Education.

More About CCS

- ◆ CCS was founded by parents!
- ◆ CCS recently celebrated their 10th year of educating!
- ◆ CCS is parent driven - high level of parental involvement
- ◆ new choice policy - once your family is in, all other siblings will also have a place in CCS
- ◆ Student Assemblies run by CCS students
