

EVHS Mid-Winter Break Learning Opportunity

- Are you looking for a way to get caught up on your LOC class?
- Are you looking for a way to get ahead with your LOC class before spring sports start?
- Are you looking for a way to concentrate on your LOC class without homework from your other classes?
- Are you looking for a way to hang out during mid-winter break and accomplish a ton of work on your LOC class? Or even start another class?
- Have we got a deal for you? You bet we do....

During the mid-winter break we are offering credit retrieval to our students who are currently enrolled in our on-line LOC program. Mr. Harlan will be available February 16-19, from 8-3:15 in the LOC room to help students with their on-line classes. We will be offering breakfast and lunch so our students can stay all day and make progress on their classes. If you have questions, please contact Mr. Harlan or talk to your counselor.
